

THE MCM PLAY-BY-PLAY

JUNE 2019

Grr-ific Exhibit!

EMPLOYEE OF THE QUARTER

Education Coordinator, Phillip Weisenberger, makes all of our field trip and program outreach dreams come true at MCM - that's why he's been named our new Employee of the Quarter!

Phillip has been with MCM since November of 2018 and has made a wonderful impact on the museum in a short amount of time. Anyone will tell you that Phillip is the type of employee and co-worker who goes above and beyond the call of duty to make sure MCM is the best it can be. When asked what his favorite part of the work day is, Phillip said: "All day is my favorite time of day, because I truly love my job!" Also, something special to know about Phillip is that he and his wife, Amber, are expecting their first child in August!

On behalf of everyone at MCM, we want to extend a warm congratulations to Phillip Weisenberger on being voted by his peers as MCM's Employee of the Quarter.

HABLA ESPAÑOL? PROGRAM

Summer is one of our favorite times of the year at MCM, and the new programs for summer 2019 are going to be some of the most substantive and exciting to date!

One program we are especially excited to present is "Habla Español?," a Spanish language course for little English speakers! Through play-based learning, children will be able to learn practical Spanish, as well as be inspired to continue additional language education away from MCM.

Join us every Monday at 3:30 p.m. from June 3rd through July 29th for "Habla Español?!"

¡No podemos esperar a hablar español contigo!
We can't wait to speak Spanish with you!
