Finance Assistant Heather Kellum is a behind-the-scenes hero at the Mississippi Children’s Museum (MCM) and has been named our new Employee of the Quarter. Heather has been with MCM since July of 2017, and her work at the museum includes processing payroll, invoices, making bank deposits, and all kinds of other essential accounting tasks. When asked about her experience at MCM, Heather had this to say: “I love my job! And I love the people that I work with! Being an accountant at a place full of creative people is the best. The friends I have at work make each day so much fun and enjoyable.”

On behalf of everyone at MCM, we want to extend a warm congratulations to Heather Kellum on being voted by her peers as MCM’s Employee of the Quarter!
