Enjoy a spook-tacular night at our annual event, Park After Dark, on Friday, October 25. The Mississippi Children’s Museum has partnered with MDWFP’s Mississippi Museum of Natural Science to host Park after Dark. Families will have the opportunity to experience two museums all in one night! Whether you are ghoulish or glam, dress up and join us.

This event gives families a chance for a family fun night that is filled with spooky science experiments and creepy crawly crafts. At MCM, we will create bat art, play glow-in-the-dark bowling and hopscotch, provide a toddler play area, and much more. Trick-or-Treat through both museums for tricks and trinkets in a safe and fun environment. Our hope is to provide an exciting place for families to celebrate fall festivities.

In order to make our event easily accessible, we are providing transportation to and from Smith-Wills Stadium. Parking and transportation will be available at no additional cost.

We are brewing up a Halloween hit at Park After Dark. We can’t wait to share it with you and your family!
