Activity:

- Children love to interact with story times. Feel free to ask them lots of questions about the pictures in the book, the colors, their opinions, and what they think is happening/going to happen in the story.
- Talk to your children about foods that they like and don't like. Use this as a chance to introduce them to some foods they may not have tried or heard of.
- Have them draw their favorite food.
- Have them draw a food that they haven't tried but would like to.
