At Home Edition - #MCMAtHome

**Add this activity to your story time.**

## Supplies:

- Blue, red, and white paper
- Glue
- Crayons
- Scissors

## Read: *Goodnight Moon*

## Activity:

- Children love to interact with story times. Feel free to ask them lots of questions about the pictures in the book, the colors, their opinions, and what they think is happening/going to happen in the story.
- Help your child cut strips from the red paper and a circle from the white.
- Help them glue the red strips down on the paper to make a window, and then the white circle to make the moon.
- Then, let them draw what they see out their window.
