Activity:

- Children love to interact with story times. Feel free to ask them lots of questions about the pictures in the book, the colors, their opinions, and what they think is happening/going to happen in the story.
- Help your child paint the paper plate in yellow, white, or light blue to make the moon. Let them be creative with their moon!
- Let them draw their version of the cat from the story on a sheet of paper.
- Cut it out and glue it onto the moon.
