

THE VERY LONELY FIREFLY

At Home Edition - #MCMAtHome

Add this activity to your story time.

Supplies:

- Black or dark colored construction paper
- Yellow paint
- White crayons or colored pencils

Read: *The Very Lonely Firefly*

Activity:

- Children love to interact with story times. Feel free to ask them lots of questions about the pictures in the book, the colors, their opinions, and what they think is happening/going to happen in the story.
- Show your child how to make thumbprints on the dark paper with the paint.
- Once the paint has dried a little, use the white crayon or colored pencil to add wings to your fireflies.
- You can also add antennae, heads with faces, and dotted lines to indicate their flight pattern.
