**PRESS RELEASE • FOR IMMEDIATE RELEASE • 6/27/18**

### **Wells Fargo sponsors “Read to Succeed” Camp for Jackson Public School students at Mississippi Children’s Museum**

JACKSON, Miss. (June 28, 2018) – As the signature sponsor for the “Read to Succeed Camp,” Wells Fargo donated \$12,500 to the Mississippi Children’s Museum (MCM). This free one-week camp was designed specifically for Jackson Public School third-grade students who have not passed their third-grade summative assessment. Master teachers and reading specialists were brought in to facilitate lessons and offer one-on-one instruction for students before they re-take their assessment.

As part of their Community Giving Program, Wells Fargo selected MCM’s “Read to Succeed Camp” to help further their goal of eliminating the K-12 achievement gap in public education. Wells Fargo is a U.S. bank committed to strengthening communities for current and future generations.

By partnering with community supporters such as Wells Fargo and the Junior League of Jackson, the MS Children’s Museum is working to improve the literacy performance of the children in the Jackson Public School District.
