About the Mississippi Children’s Museum

The Mississippi Children’s Museum (MCM) is a 501(c)3 nonprofit organization with a mission of creating unparalleled experiences to inspire excellence and a lifelong joy of learning in all children. The 40,000-square foot museum is designed around five primary initiatives, with correlating exhibits, programs, and outreach efforts. These initiatives include: Literacy, STEAM, Health and Nutrition, Cultural Arts, and Mississippi Heritage – the keys to helping our children mature into healthy and productive adult learners. In response to community needs due to the COVID-19 pandemic, MCM shifted operating and programming priorities to best serve Mississippi’s children and combat learning loss through facilitating virtual schooling and creating online educational enrichment – services that continue today through a robust, daily afterschool program and an online platform for teacher professional development.

In 2021, MCM celebrated a monumental year by receiving an Institute of Museum and Library Services National Medal, the nation’s highest honor for museums, and through opening its first satellite museum, MCM-Meridian, which received the 2021 Governor’s Award for Travel Attraction of the Year.
