NEON NIGHT | JULY 16
Co-Chairs: Ann Ferrell Alston & Madison VanLandeghem

Enjoy a sizzlin’ summer night with live music, drinks, and food truck favorites as the museum is set aglow during MCM’s signature summer young adults fundraising event. Guests are invited to “dress up” with glowing necklaces, rings, and bracelets, and dance the night away.

A VERY MERRY NIGHT | NOV. 19
Chairs: Lindsey Gresham & Molly Griffin

Previously known as Discovery Night, A Very Merry Night is MCM’s signature family fundraising event. In 2022, this event will be the premiere family holiday event of the year by taking place on the opening night of MCM’s popular Journey to the North Pole holiday exhibit. This magical evening will give families early access to photos with Santa, while also continuing to celebrate children’s literature and the fascinating world of science, technology, engineering, art, and math (STEAM) through fun, interactive, holiday-themed programming.

IGNITE THE NIGHT | FEB. 11
Chairs: Joyce Marion & Co-Chair: Sarah Adams

Relive your childhood while having fun supporting MCM through our signature adult-only fundraising event-a festive evening of food, entertainment, and fine wine. Each year, Ignite transforms the museum with a creative theme that ensures a night to remember.

- 10% off MCM memberships, facility rental, Red Rocket Café, and Louis LeFleur’s Trading Post purchases
- Monthly e-blasts about upcoming events, activities, and volunteer opportunities

About MCM Partners
Since the Mississippi Children’s Museum (MCM) opened in 2010, MCM Partners has served as a steadfast support system through sponsorships, fundraising, and volunteer hours to help MCM succeed in their vision of inspiring Mississippi’s children from all backgrounds to discover and achieve their potential. Last year, MCM Partners raised in excess of $387,441.24 of which 100% went directly back to MCM in support of our Mississippi’s future, our children!

MCM’s Statewide Impact
The first-class experience that we offer each child who visits the Mississippi Children’s Museum would not be possible without the generosity of our community. By joining Partners you are playing a vital role in making our museum accessible to all children. Since opening, MCM has served over 1.6 million students from 135 school districts, all 82 counties, all 50 states, and over 20 countries.

Literacy Outreach Programming
Chair: Alfonz Bryan Co-Chair: Heather Ward
Throughout the summer, MCM hosts its family literacy sessions where families from the Jackson Public School District and all across Mississippi can gather in the museum and program with play in the museum. The goal of the parenting sessions is to boost children’s summer readiness, helping to ensure they are prepared for the next school year.

STEAM Outreach Programming
Chair: Barbara Bryan Co-Chair: Katharine Puckett
Weekly through the school year, MCM serves 40 students from Stewpot Community Services’ Afterschool Program to provide hands-on afterschool enrichment. As a part of this program, MCM Partners help host quarterly family nights where families are invited to the museum to participate in their child’s learning.

60 percent of the students have a diagnosed learning disability

MCM in the Community
VP Outreach: Alex Cooper
The Mississippi Children’s Museum is committed to sponsoring children’s literacy and STEAM development through our unique play-based experiences, specialized learning opportunities, and educational programming. To meet the needs, MCM hosts family literacy and STEAM outreach programming events throughout the year to provide an opportunity for parents and children to experience hands-on learning opportunities with their families and help ensure that future Mississippiians become active, engaged citizens.
