

President's Leadership Circle

The Mississippi Children's Museum (MCM) President's Leadership Circle is a community-wide effort centered on youth leadership. It offers opportunities for MCM Youth Volunteers to acquire new leadership skills, be part of an incredible team and give back to the communities where they live. MCM's President's Circle presents hands-on leadership activities and educational programming. In addition to inspiring a lifelong love of learning and positively impacting our volunteers, President's Circle volunteers will gain valuable experience in leadership, customer service, cultural diversity, career readiness/college prep, and community service.

Goals:

Goal 1

Improve leadership styles and decision-making skills that promote educational programming and community outreach.

Goal 2

Improve customer service and stimulate interest in cross collaboration among volunteers.

Goal 3

Promote bonding to a culturally diverse community among youth to ensure that they remain engaged with MCM and communities.

Goal 4

Career readiness is a process of preparing students with the essential skills they need to find, acquire, maintain, and grow within a job. College Preparation focuses on ways to increase college access.

Goal 5

Student's engagement in community service provides them with the opportunity to become active members of their community. Most importantly, students learn that the work they do can make a real impact.
