MCM's Statewide Impact

The first-class experience that we offer each child who visits the Mississippi Children's Museum would not be possible without the generosity of our community. **By joining Partners you are playing a vital role in making our museum accessible to all children.** Since opening, MCM has served over 1.6 million visitors from 135 school districts, all 82 counties, all 50 states, and over 20 countries.

MCM in the Community

The Mississippi Children's Museum is committed to improving childhood literacy and STEAM development through our unique play-based experiences, specialized learning opportunities, and educational programming. To meet this mission, MCM hosts family literacy and STEAM outreach programming events throughout the year. Based on MCM's depth of experience in providing educational services to students and families, our team understands how important it is to involve family members and how this involvement positively impacts student outcomes.

About MCM Partners

Mississippi Children's Museum (MCM) Partners is made up of individuals who financially support the operations of the museum through sponsorships, fundraisers, and volunteer hours to help MCM succeed in their vision of inspiring Mississippi's children from all backgrounds to discover and achieve their potential. Since the museum opened in 2010, Partners has raised almost two million dollars of which 100% has gone directly back to MCM in support of Mississippi's future, our children!

Literacy Outreach Programming

Chairs: Courtney Wood and Alison McMinn

MCM Partners will host a group of students and their families from Stewpot Community Services at the Back to School Bash on July 29th. There will be fun and educational experiences that will help prepare these families for a successful school year. Partners will also provide backpacks and school supplies for each child as they begin a new school year.

STEAM Outreach Programming

Chairs: Blann Lutken and Katherine Puckett

Throughout the school year, MCM serves 40 students from Stewpot Community Service's Afterschool Program to provide hands-on enrichment. As a part of this program, MCM Partners help host quarterly family nights where families are invited to enjoy a meal and participate in their child's learning.
