Attire and personal belongings

- We understand most children will be in school uniform.
- Some activities and crafts may involve washable paints or materials that may soil clothes.
- Children should wear tennis shoes or closed toe closed back shoes with rubber soles. For the safety of our children, flip flops and shoes with open toes or backs are discouraged.
- Children who have activities and lessons away from MCM that require a change of clothes should be able to change into their own uniform independently. Adults may bring a uniform at time of pick-up and change the child themselves. MCM will not manage the changing of alternate activity clothes.
- Children should bring a reusable water bottle from home. Please make sure NAMES are on water bottles.
- If your child is bringing nonelectrical items to aid with their learning experiences – they will be stored when not in use, no personal or school issued devices will be used at MCM.
- MCM recommends a change of clothes in a child's backpack in case of spills or accidents. Please label in a Ziplock specific to "MCM" spare clothes.
- Food, drink, and gum chewing are not allowed in the museum exhibit areas. All eating takes place in the Red Rocket Cafe area and snack areas at specific times.

- MCM provides a nutritious snack for all afterschool children.
- Cell phones, tablets, and laptops – personal or school issued, should always be stored in a backpack/zippered case.
- Lost and Found items will be cycled through regularly at the end of a nine-week period and displayed for all families. Items left after display period will be rehomed.
- Child kept health devices such as epi-pens or inhalers will need to be kept in the child's bookbag while at the MCM.

Health and safety

- Children must have a medical information form on file with the MCM that names individuals to be contacted in the case of an emergency and lists any physical limitations, religious exemptions, impairments, and medications your child may be taking.
- Please notify the MCM Director of Learning Experiences, Patti Reiss, if your child is taking any medication that might affect his/her behavior in the museum.
- The MCM staff does not dispense any medication. If your child has a condition (allergies, asthma) that could need lifesaving medication, please ask MCM before registration.
- In the case that your child has any food allergies, please document that on the Emergency Information forms and be specific as possible. It is helpful to indicate if your child will be bringing all their own food to MCM.
- Child kept health devices such as epi-pens or inhalers will need to be kept in the child's bookbag while at the MCM.
- Parents of children with health devices will be reminded quarterly to ensure they are up to date and available if the need arises.
- In case of an accident or injury that requires first aid, an accident report will be completed, and parents will be notified.
- In case of an accident or injury that requires emergency service attention, 911 will be called and emergency contacts will be notified. MCM will follow the suggestions of first responders until the parents can arrive or be notified if the child has left MCM grounds in an ambulance for any reason.
- Children should not attend aftercare if they have an unexplained rash, vomiting, diarrhea, discharge from the eyes or ears, or any symptoms that are cause for concern to MCM staff. A parent will be called to pick up their child at once if MCM staff notices any of above-mentioned symptoms or others.
- Please notify the team at the museum or specifically the MCM Director of Learning Experiences, Patti Reiss, if your child has been exposed to any germs or communicable conditions that could be shared with other children or staff members.

Transportation

Mississippi Children's Museum provides transportation to the museum from school for your child following the known JPS schedule. MCM will try to accommodate same-day changes in transportation. We ask for understanding in sudden changes of inclement weather.

The following are rules and guidelines that all children must follow when transportation is provided.

- Children are to always remain seated.

- Children are encouraged to talk amongst themselves, this is a social part of their day, however we do discourage loud/screaming voices.
- Children are reminded that there is no food or drinks allowed during travel to ensure safety.
- The windows on the buses are to be adjusted by an adult to ensure the children feel comfortable in warm weather.
- Children are not allowed to get out of their seat while the buses are in operation. In case of an emergency, they may comply with the MCM Staff or driver's directions to do so.
- There is a mobile phone on the vans/buses for emergency calls only.
- If there is a behavior concern or safety concern, the MCM Staff will remind children of behavior requirements, and the driver will relay the information back to the Directors and may then be relayed to the parent/legal guardian if necessary.
- If behavior concerns continue with a child, transportation will be refused for that child to ensure the safety of all passengers on the vans/buses.
- Mississippi Children's Museum has the right to refuse transportation for your child with limited notice.
- Safety is our priority, and we will make every effort to ensure your child will arrive at the museum safely.
- Families should notify Mississippi Children's Museum of any changes for transportation and will give ample time to meet these changes.
- At times children may forget or leave belongings at school, the bus will not have time to return to the school to collect them.

Discipline

- The MCM staff believes in positive, affirming discipline that allows for a personally enriching experience.
- Museum staff and counselors will use positive language and reinforcement to help guide a child to make safe, positive choices as he/she explores the environment and interacts with peers. Our museum leaders and counselors are ready to work with parents to make sure their child feels nurtured and encouraged in the MCM environment.
- MCM sends home regular behavior notifications to all families.
- Disciplinary actions are taken only as a last resort and will include one warning, time-out, and parent consultation at the end of the day.
- If a child is a constant disruption in the museum and is not responding to the museum leaders' guidance, the MCM Director of Learning Experiences, Patti Reiss, will call a parent to discuss alternate options. If the behavior continues, the child may be asked to stay home (with no refund of fees). If a child does something egregious while at the museum, there will be an immediate call to a parent to pick up their child and the child could be asked to stay home (with no refund of fees).
- Any bullying, both physical and verbal, such as name-calling, teasing, ridiculing, or anything that "hurts" another person will not be tolerated, and children will be counseled immediately.

- We encourage parents to discuss ideas of “respect and responsibility” at home with your children before they come to aftercare.
