About the Mississippi Children's Museum

The Mississippi Children's Museum (MCM) is a 501(c)3 nonprofit organization with a mission of creating unparalleled experiences to inspire excellence and a lifelong joy of learning in all children. MCM's two award-winning museums in Jackson and Meridian collectively offer over 100,000-square feet of exhibits and educational programming designed around five primary initiatives, Literacy, STEAM, Health and Nutrition, Cultural Arts, and Mississippi Heritage – the keys to helping our children mature into healthy and productive adult learners. MCM offers exceptional resources for children, families, and educators through MCM at Home virtual programming, traveling exhibits and programs, community outreach, *Launch into Learning* afterschool program, professional development for educators, and *Talk from the Start*, an initiative for parents and caregivers to promote language development in children from birth to five years old. MCM is honored to have received an Institute of Museum and Library Services National Medal, the Mississippi Tourism Association Governor's Award for Travel Attraction of the Year, and USA Today's '10Best Travel Award for Best Children's Museum. About the MDWFP's Mississippi Museum of Natural Science

The Mississippi Department of Wildlife, Fisheries, and Parks' Museum of Natural Science is located in Jackson, tucked within historic LeFleur's Bluff State Park. The museum overlooks a 300-acre natural landscape, an open-air amphitheater, and 2.5 miles of nature trails. Inside, enjoy face to face encounters with more than 200 species of live fish, turtles, alligators, and other animals in a 100,000-gallon aquarium network of underwater habitats. Explore 73,000 square feet of exhibits featuring natural Mississippi settings filled with native plants and wildlife including deer, waterfowl, fossils, and Mississippi's endangered species. For nearly 90 years, the museum has thrilled and entertained visitors while pursuing its mission to promote understanding and appreciation of Mississippi's biological diversity through collections, research, scientific databases, education, and exhibits; and to inspire the people of our state to respect the environment and to preserve natural Mississippi. The museum is accredited by the American Alliance of Museums and is a member of the Association of Science - Technology Centers. Please visit www.mdwfp.com/museum for more information.

About the LeFleur's Bluff Education & Tourism Complex

The LeFleur's Bluff Education & Tourism Complex (LBC) is the shared campus between MDWFP's Mississippi Museum of Natural Science (MMNS) and the Mississippi Children's Museum (MCM) and includes the LeFleur's Bluff Playground, The Den, and Spotter the Otter's Adventure Trail. The multi-purpose complex is used for recreational and educational activities. Admission to the park is free and open to the public.
